# 10 TOP REASONS TO JOIN IPhA

## 1. Strengthen Your Career

IPhA members enjoy educational opportunities designed to increase knowledge and keep up with the latest information. Members also receive a discount on titles available in the IPhA Bookstore, as well as access to the Online Career Center.

## 2. Advance Patient Care

The more you learn about drug and treatment updates through our publication, Illinois Pharmacists, as well as electronically through the EIE (E-Info Exchange), the better equipped you are to help your patients. IPhA is also a licensed partner to provide the following certificate programs:

- Delivering Medication Therapy Management Services
- Pharmacy-Based Cardiovascular Disease Risk Management
- Pharmacy-Based Immunization Delivery
- The Pharmacist and Patient-Centered Diabetes Care
- As well as the advanced pharmacy training program: Pharmacy-Based Travel Health Services

## 3. Network with Others in Your Field

IPhA members are invited to join their colleagues at the IPhA Annual Meeting. Meet members with similar professional interests online through IPhA's networking sites on Twitter, Facebook, and [www.ipha.org](http://www.ipha.org). Members are encouraged to join e-Communities and Special Interest Groups. Pharmacy professionals can also meet and engage with other professionals by attending Local Pharmacy Association Events.

## 4. Advocate for Your Profession

## 5. Proclaim Your Profession

Adding your name to the ranks of those who currently are members declares your commitment to the profession you have chosen. Support IPhA's advocacy work with policy makers to implement legislation and as we continue to advocate regulations that positively impact the profession. Your efforts to promote the important role of the pharmacist on the health care team.

## 6. See It All

IPhA is the only statewide organization that represents all pharmacists – you can learn about all the issues within pharmacy and gain insight into representing a variety of professions.

## 7. Reach Out to Your Community
