

□ About the Membership Committee

Description: The Membership Committee recommends and cooperates in the development

Meetings: The Membership Ctte will convene at the direction of the committee chair at

Reports To: Committee will report their recommendations to the IPhA Board of Directors

Goals/Objectives:

1. Overseeing that the associations attrition rate does not exceed the influx of new members
2. The development of new programs to spur new membership
3. Identification of programs to meet the needs of current and potential members to the association
4. Works directly with the staff personnel responsible for membership activities
5. Creation of liaisons with the state's schools of pharmacy's APhA-IPhA chapter
6. Identify the strengths and weakness of each segment of the Association as it pertains to the value
7. Develop a value proposition for each sub-chapter of the Association
