

Illinois Pharmacy Annual Law Review

Garth K. Reynolds, BSP Pharm, RPh, MBA

Garth Reynolds declares no conflicts of interest, real or apparent, and no financial interests in any company, product, or service mentioned in this program, including grants, employment, gifts, stock holdings and honoraria.

About the Speakers

Garth Reynolds received his Bachelor of Science in Pharmacy from the St. Louis College of Pharmacy and a Master in Business Administration from Southern Illinois University Edwardsville. Garth is licensed in Illinois and Missouri. He has worked in a variety of community practice settings include independent, regional, and national chains. Most recently, he was the Pharmacy Supervisor and Immunization Coordinator of the Adolescent and Adult Immunization Care Program at Dierbergs Markets, Inc., a regional supermarket and community pharmacy chain based in Chesterfield, MO. Garth is also an adjunct clinical laboratory instructor in Pharmaceutics and Advanced Pharmacy Practice at St. Louis College of Pharmacy lecturing in topics on pharmacy technology, pharmacy regulation, drug diversion, and prescription fraud. In addition, Garth is faculty for the APhA Certificate Training Programs in Pharmacy Based Immunization Delivery and Delivering Medication Therapy Management Services. He is also chair of the APhA Special Interest Group for Immunizations Policy Committee. Garth received the 2015 APhA Immunization Champion Award for Partnership. Garth is a past president of the IPhA; and since January 2013, Garth has been the Executive Director of the Illinois Pharmacists Association.

About the Course

Review the legislation and regulations impacting your practice and patients. The Illinois Pharmacy Annual Law Review will provide an overview of legislation presented on a Federal and State level effective in 2020, including COVID-19. Also included will be a discussion of the upcoming *Rutledge v PCMA* court case and the ramifications to the future of pharmacy practice.

Pharmacist Objectives

1. Discuss pharmacy and healthcare related legislation effective in 2020.
2. Describe updates to Federal and Illinois regulations related to pharmacy.
3. Discuss policy advancements and implications for pharmacy during the COVID-19 pandemic.
4. Review upcoming *Rutledge vs PCMA* court case and the implications on pharmacy practice.

Technician Objectives

1. Discuss pharmacy and healthcare related legislation effective in 2020.
2. Describe updates to Federal and Illinois regulations related to pharmacy.
3. Discuss policy advancements and implications for pharmacy during the COVID-19 pandemic.
4. Review upcoming *Rutledge vs PCMA* court case and the implications on pharmacy practice.
