

13th Annual Pharmacy Legislative Day

UNDER THE DOME

2019 Pharmacy Legislative Day

Join hundreds of pharmacy professionals at the State Capitol on March 13, 2019!

Represent your profession and speak directly to legislators and staff regarding the critical issues facing pharmacy. It is vital that your legislators become more knowledgeable on the role of pharmacy in augmenting healthcare.

Learn about key issues and how to discuss them with your legislators. Join your fellow pharmacists, students & techs and become part of the solution. Don't miss this opportunity to let your collective voices be heard!

Jointly sponsored by Illinois Council of Health-System Pharmacists and the Illinois Pharmacists Association. For the past twelve years, ICHP and IPhA have joined forces to let lawmakers know that pharmacists stand united.
