

Illinois Pharmacists Political Action Committee

[Donate](#) to the IPPAC

The Illinois Pharmacists Political Action Committee is an organization established by the Illinois Pharmacists Association to channel financial contributions into political campaigns. The IPPAC solicits contributions, pools funds, and makes donations to the campaigns of candidates for state offices.

In accordance with state election laws, the IPPAC is required to file a contribution report. To view reports filed by IPPAC or other contributors, or to find reporting requirements and deadlines, visit the [State Board of Elections](#) web site.
